WELCOMING THE NEW YEAR & THE PANDEMIC: Welcoming the new year does not mean leaving the immediate past year without a sense of continuous continuum. Often what changes is a sense of fresh resolution to improve on those things that have impinged and limited our life for further growth. As we reflect in a concrete fashion the Covid 19 Pandemic has changed a many a person's life. This change often presented one with many a challenge. The overall view is that there are too many expert opinions. Though healthy to have an opinion it is not always helpful to have a common goal. We need to look for a unifying source. In time past from Jesus to the present day many people sought divine intervention. If Jesus was in our midst today how many of us especially those who caught the virus will seek Christ's healing. This general question will exercise the mind of the people of faith. A tremendous effort is being made to find the magic vaccine to eradicate the virus in the light of human effort. Here we see the degree of human limitation in finding a timely solution. It becomes incumbent on us to seek divine intervention. It is the return to Christ the ultimate healer that we may find a speedy recovery from this pandemic. Christ who inspires and intervenes in the human affairs is asked to show his benevolence towards the human race for true liberation from the pandemic. Our forebears put their trust in God. We shall follow in their good example and petition the Lord of all mercy.

Daily we have exposition of the Blessed Sacrament seeking God's mercy on the human race and liberation from the pandemic. The Exposition takes place every day from 8.30am-9.00am.

**FIRST HOLY COMMUNION**: I am sorry that due to the Corona Virus we have been unable to start the preparation for the First Holy Communion 2021. In the New Year I will communicate with parents who have already enrolled their children for the Sacrament of the Eucharist. We hope to come with a new plan.

**SACRAMENT OF CONFIRMATION**: For some time we had hoped that things will change. As things stand I have to have a fresh look and find a way to start the Confirmation programme. I will contact all applicants after the Christmas Festivities.

<u>CHRISTMAS POSTER</u>: The Knights of St Columba each year provide the Parish with the Christmas poster. The idea behind the poster is to remind the many and to bring home the meaning of Christ as we celebrate the Birth of Christ. Please do take a poster and display it for everyone to see.

MASS TIMES: In the light of the restrictions the number of people attending any mass during the Christian celebration is reduced to sixty people. THIS YEAR ATTENDANCE AT MASS IS BY TICKET ONLY. There will be seven masses said between Christmas Eve and Christmas Day. The Masses on Christmas Eve including the Midnight Mass are fully booked. We have places left for Christmas Day at 8.00am, 9.00am, 10.00am and 11.00am. If you have any queries please phone the Presbytery (01322 279955).

<u>CHRISTMAS RAFFLES: REMINDER</u>: This year we are unable to hold a Children's Mass on Christmas Eve. Each year the Christmas Eve Mass was followed by a raffle. For this year there will be a small raffle. Children attending any Christmas Mass will be given a ticket. The draw will take place on Boxing Day. Make sure to collect your ticket. There will be four prizes. Two for children under the age of seven and two for children over the age of seven. One prize for boys and one prize for girls.

CHURCH OPENING TIMES: The Church will be open daily on Monday to Friday from 8.30am - 6.00pm.

<u>A WORD OF THANKS</u>: I would like to thank everyone who have been supporting the parish and myself during this year. Truly grateful.

On behalf of Deacon Michael Dale & myself we wish you God's richest blessings for Christmas and for the New Year 2021

I would like to thank everyone for their support and kindness
Throughout the year and for your generosity in the Christmas season
